

programs to include low-income rental apartments, low-income Housing Choice Voucher rental assistance to the private market, and development of affordable housing in concert with related non-profits. In addition, the Housing Authority provides property management services and tax-exempt bond financing for housing construction to its related non-profits.

The Housing Authority is contributing to the reduction of homelessness in the County of Monterey through its collaboration with other local non-profits and governmental jurisdictions. The Housing Authority has provided transitional and permanent supportive housing to local residents who have found themselves homeless.

The Housing Authority provides permanent and migrant housing for low-income farmworkers who support the agricultural economy of the County of Monterey. The Housing Authority also provides housing for low-income persons with disabilities and senior citizens. As the population of seniors and the disabled grow in the County, the Housing Authority has risen to the challenge of housing these populations of citizens.

Finally, the cost of rental housing has grown substantially in the last years, the need for affordable housing has also burgeoned. In partnership with its affiliated nonprofit development corporation, the Housing Authority has rehabilitated its housing units to insure that they remain an affordable housing option for generations to come. The Housing Development Corporation has assisted other housing authorities in the redevelopment of their obsolete housing units and has led the way in reuse of property.

Mr. Speaker, I know that I speak for the whole House in recognizing the achievements of the Housing Authority of the County of Monterey. The Housing Authority has made endless contributions to Monterey County for the services it has provided for the residents of the 20th Congressional District of California.

HONORING MATT KELLER

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. THOMPSON of California. Mr. Speaker, I, along with Representative GARAMENDI and Representative HUFFMAN, rise to recognize and honor Matt Keller for his great contribution to the designation of the Berryessa Snow Mountain Monument by President Barack Obama on July 10, 2015.

This outstanding accomplishment was made possible by the tireless work of countless advocates like Mr. Keller. Their commitment to engaging friends, colleagues, local residents, businesses, stakeholders across the country, and policymakers in a coordinated effort to achieve permanent protection was critical to the establishment of the Monument.

Now, the Berryessa Snow Mountain Monument may be counted among the hundreds of pristine parks across the country that represent America's most treasured public resources. The region's unique geological formations will play host for the world's scientists for years to come. Centuries-old archeological sites will draw curious historians and researchers as they piece together the stories of gen-

erations past. And avid bikers, hikers, campers, horsemen, and sportsmen will be able to enjoy this landmark that is now forever open and accessible to outdoor enthusiasts from Northern California and beyond.

The Berryessa Snow Mountain Monument serves as proof of the value of the Antiquities Act and the power of the Executive to protect these lands in the face of inaction by Congress. After extensive input from interested parties and substantial evidence of this region's value, the Obama Administration honored the support of stakeholders, and the gravity of conservation.

The legacy of public lands is one of the most important we can leave for future generations. The Berryessa Snow Mountain Monument is a critical piece of a preservation system that stretches from the Hawaiian Islands to the Maine Coast. It has been a privilege working with Mr. Keller to further our mutual goal of preserving our nation's great open spaces, and we look forward to collaborating in the future.

HONORING MARK VAN TINE

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. GRAVES of Missouri. Mr. Speaker, I rise today to recognize Mark Van Tine, Vice President of Digital Aviation for The Boeing Company and Chief Executive Officer of Jeppesen, who is retiring after 35 years with the company. Mr. Van Tine is a true champion of the aviation industry and an inspiration to young people considering an aviation career.

Since 1981, Mr. Van Tine has held numerous positions at Jeppesen, including serving as its Chief Information Officer, before being named CEO in 2002. In 2012, he added responsibilities as the leader of Boeing's new Digital Aviation organization. In recent years, Mr. Van Tine took on the tremendous challenge of overseeing Jeppesen's digital transformation, moving the entire global aviation industry to electronic charts. This process reduced from 2.5 billion sheets of navigational paper for the worldwide aviation and maritime industries annually to around 475 million sheets annually today. He leads more than 3,800 employees at Jeppesen, headquartered in Englewood, Colorado, who serve four key customer markets—general, business, military, and commercial aviation—of which there are more than 100,000 customers. In his role with The Boeing Company, Mr. Van Tine oversees more than 4,400 employees in developing and delivering cutting-edge information solutions.

Mr. Van Tine is also an active contributor to the general aviation community. He sits on the boards of the General Aviation Manufacturers Association (GAMA) and the Experimental Aircraft Association (EAA). In 2009 he served as GAMA's Chairman and has since chaired the association's Security Issues Committee for five years. In this capacity, he skillfully testified before the House Homeland Security Committee's Transportation Security Subcommittee in 2011, offering the general aviation industry's perspectives on reauthorization of the Transportation Security Administration.

His greatest passion, however, is instilling a love of aviation in young people and encour-

aging them to become the next generation of aviation leaders. A naturally gifted mentor, Mr. Van Tine devised a Science, Technology, Engineering, and Math (STEM) competition for high schoolers with an annual prize being a two-week build of a Glasair Sportsman airplane. This June marks the third year Mr. Van Tine will join students to assemble an aircraft in the GAMA/Build A Plane Aviation Design Challenge. He also chairs the Jeppesen Aviation Foundation, which honors the legacy of Captain Elrey B. Jeppesen by supporting educational institutions, organizations, and students in the aviation community. In addition, he helps to teach character, leadership, and life skills to urban youth as a Board member with Colorado UPLIFT, a non-profit youth service organization.

I congratulate Mark Van Tine on his many accomplishments and years of outstanding service to the aviation community on this milestone occasion. He is truly an asset to the people of Colorado and to those millions of passengers around the globe who are safe in the skies and at sea each year through the use of his navigation services.

CONDEMNING THE 22-YEAR SENTENCE ISSUED AGAINST NADIYA SAVCHENKO

HON. SANDER M. LEVIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. LEVIN. Mr. Speaker, I condemn the verdict and 22-year sentence issued today against Nadiya Savchenko by Russian authorities. The verdict shows disregard for the rule of law and is completely unjust. I once again call on Russian authorities to release her immediately.

Throughout Savchenko's detention and trial, I have been deeply troubled by the serious violations in due process. Since her capture and imprisonment in July 2014 on trumped-up charges, her trial and hearing dates were repeatedly delayed, and her trial venue were moved to a remote region in Russia, difficult for observers to reach. Savchenko also endured interrogations, solitary confinement, and forced psychiatric evaluations.

Since her capture, Savchenko has come to represent the spirit of an independent Ukraine, free from interference and eager to embrace the will of its own people. I join the people of Ukraine in expressing my deep concern for her well being, and in protesting her verdict and sentence.

I continue to call on Russian authorities to release Nadiya Savchenko immediately.
